Hello! My name is Landon and I am an academic graphic and materials designer working in Asia. I have been in the education field all my career and have held a variety of positions within the industry. I studied acting during my undergraduate studies and went back later to earn a graduate degree in education with a specialization in curriculum design in 2012. I have worked in four different countries and taught a variety of nationalities. My students and co-workers are at the heart of everything I create, and I am always available for support. If you have any questions, feedback or ideas please get in touch with me and I'd be happy to listen. Thank you! landonseigler@yahoo.com
